NOTES

Grading Draws are Subject to change - any changes made will be emailed to coordinators, posted on FB and updated on the website
It is the responsibility of Club Coordinators and coaches to know when and where their teams are playing
split rounds in grading could mean you have a bye for one of the games but not another - check draws carefully

after the 9am game, courts 2-8s posts must be raised
Grass court posts to be brought back in after 10am game

Cadets div 3 - 1 game played at 2pm

Round games draws will be uploaded via PlayHQ

SET and GO comps do not have grading and will start their 13 week comp in line with round 1 of grading

GO games have been set predominately on grass courts as we do not have enough grass posts that lower to the SET height
